Coordination

Having a wedding coordinator is the most essential element in executing a seamless and stress-free day that will not only be a memorable and wonderful experience for you and your family, but also for your guests.

We know wedding planning can be super overwhelming, so we are here to help guide you through. First things first.... what does a wedding coordinator do exactly? There are basically 2 types of wedding professionals in this category: full-service wedding planner and day-of coordinator. A full-service wedding planner works alongside you from the very beginning while a day-of coordinator jumps in roughly a month before the big day and helps execute what you have already planned. Our coordination process is a unique blend of the two! We are available immediately for guidance and advice as soon as you book. We begin our formal "planning" with you six months prior to the wedding.

What to expect from your Grant Hill Farms coordinator:

-Meeting 1: Your first meeting takes place 6 months prior to your wedding date. At this meeting we walk through all options for ceremony, cocktail hour, and reception layout including linen choices, glassware choices, etc... We go over all vendor selections (or help select vendors), and in general, just spend some time getting to know you and your overall vision a little better. We feel strongly that your day should reflect YOU, and we work hard to help make YOUR vision a reality.

-Meeting 2: Your second meeting takes place 3 months prior to your wedding date. At this meeting we revisit all selections and layout from your first meeting and make any necessary changes. We go through your ENTIRE wedding day (from arrival time to begin hair and makeup through the exit) in great detail. We take all info from this meeting and create a master timeline, processional, and recessional. After this meeting we take over with all vendors in terms of details regarding load in and load out, items needed from the venue, etc...

-Rehearsal: Your coordinator will schedule, organize, and run your rehearsal.

-Day of Your Wedding: Your coordinator will be onsite 3 hours prior to ceremony start time and will remain onsite until you exit. We ensure that all the months of hard work and planning are executed seamlessly. We help place your last-minute items (guest book, items for unity ceremony, etc...), pin corsages and boutonnieres, keep track of time to ensure we remain on schedule, send everyone down the aisle and back, and oversee the entire reception.

We are always available by phone, email, or text and are happy to guide you through the whole process from start to finish.

Although having a good wedding coordinator to trust with your investment and oversee such a special day is truly PRICELESS.... the cost would be between \$1,000.00 and \$2,500.00 if you were to outsource this on your own in our area.

Bar

You may bring your own alcohol. Obtaining a day of event insurance policy will be required. We have partnered with a company called Nuptial to make the process a breeze. Once you book, we will set you up with Nuptial. Adding on bar service is necessary if you are having alcohol. Please drop off alcohol to us no later than 9:30 am the day of your event so that our staff can begin getting it sorted, cold, and set up for your reception.

Bar Service: \$500.00

- 1 Bartender
- Chilling all alcohol
- Set up of 2 bars (Cocktail Hour Bar and Reception Bar)
- Clear disposable tumblers for cocktails, wine glasses for wine, white cocktail napkins, stir straws, ice, and bar tools
- Break down, clean up, and boxing up unused items
- Additional Bartender: \$250.00 - Additional bartender *may* be required for more than 200 guests OR if you are serving cocktails

Vendors

We believe your big day should be a reflection of YOU. For that reason, you may bring in any outside vendors of your choice. We do have a preferred vendor list with some amazing vendors in a wide range of pricing and style that we can guide you through.

We love helping your vision become a reality!

FAQ's

- **How many guests can Grant Hill Farms accommodate?**

Our packages are based on up to 200 guests. We can accommodate up to 300 guests for an indoor/outdoor reception. Renting additional chairs for ceremony will be necessary with more than 225 guests in attendance.

- **Will I need to hire a wedding planner in addition to having the coordinator you provide in the package?**

No! While we do not offer "full" wedding planning service, our wedding coordination program is comprehensive and offers much more than just day-of coordination services. Our coordination is a unique blend of full-service planning and day of coordination. The only things we really do not cover are budget management, overall décor design, and vendor contract negotiations.

- **How much is the deposit, when is it due, and is it refundable?**

A \$1,000.00 nonrefundable deposit is required to firmly hold your date. 50% of the remaining balance is due halfway between the time of booking and the wedding date. The remainder is due 3 months prior to your wedding date. Should you choose to cancel your wedding date, anything paid up to the time of cancellation is nonrefundable.

YES! We offer a 10% active-duty military discount. The 10% is taken off the venue pricing. Thank you for your service!
